With all the commercial ads saying their products are best... how do you know which one is the right for your pet? Cat - Wikipedia The cat (*Felis catus*) is a small carnivorous mammal. It is the only domesticated species in the family Felidae and often referred to as the domestic cat to distinguish it from wild members of the family. The cat is either a house cat, kept as a pet, or a feral cat, freely ranging and avoiding human contact. A house cat is valued by humans for companionship and for its ability to hunt rodents.
