This topic in the Library will help nonprofit leaders and staff learn to understand the various/varied elements of fundraising, to recognize the importance of the relationship between an organization and its potential donors, and to construct and implement a strong fundraising plan/program for their nonprofits. Strategies for Changing Your Organization's Culture ... Transforming a nonprofit organization—for example, changing a service model or delivery area, or adding a new set of beneficiaries—is not just an exercise in creating new strategies and processes to accomplish the organization's mission. Startups News - The Business Journals Startups news from the , including the latest news, articles, quotes, blog posts, photos, video and more. The National Christian Foundation Anti-LGBT Funding ... This encyclopedia documents the role of the National Christian Foundation as the leading domestic U.S. funding source for organizations and institutions involved in anti-LGBT rights activism and which are ideologically hostile to gay rights.. For practical reasons, the encyclopedia covers only a handful of the myriad anti-LGBT groups that NCF funds – the most prominent or especially ... 4 The Role of Communities in Promoting Health Equity ... 4 The Role of Communities in Promoting Health Equity. The previous chapter provided evidence concerning the many social, economic, and environmental factors that shape health and contribute to health disparities, and indicating that successful community-level interventions to improve health equity need to target both people and places. Our Equitable Future: A Roadmap for the Chicago Region ... In MPC's March 2017 Cost of Segregation report, we explicitly emphasized the enormous price we pay for segregation. Yet, the remedies and recommendations offered here go far beyond the patterns of where people live. To disrupt metropolitan Chicago's legacy of segregation, we focus on the racism and inequity that fueled and continues to fuel it.
