
Marilyns Red Diary

MARILYNS RED DIARY - *Marilyns Red Diary (FREE)* Production background. The film was screened only at Warhol's art exhibits. A fan of the Batman comic series, Warhol made the movie as a "homage." Batman Dracula is considered to be the first film featuring a blatantly campy Batman.. The film was thought to have been lost until scenes from it were shown at some length in the documentary Jack Smith and the Destruction of Atlantis (2006). - Sat, 20 Apr 2019 01:11:00 GMT Songs for Drella - Wikipedia
